3750	3830	3750		7,28	3476	730

Vertical refrigerated case suitable for the display and sale of cold cuts, dairy products, fruit and vegetables, meat.

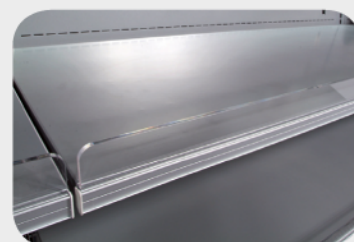

Thanks to its compact dimensions, this model is particularly suitable for specialised shops, for small supermarkets and for promotion areas within large sites. Produced in modules of 1250-1875-2500-3750 mm, it can be multiplexed and used for various layout solutions.

A wide range of accessories allows customizing of the case. It is also possible to obtain many different configurations in its interiors.

The case with ventilated refrigeration can be fed with a built-in condensing unit.

Transparent price-holder AMX shelf.

Plexi front riser.

Nightblind
